

# 17<sup>th</sup> ASIAN GAMES at Incheon/KOR, 27.09. – 03.10.2014

-following are the complete results plus detailed additional information (medal & placing table, updated ASIAN GAMES Records etc.) from the Athletics competitions at the ASIAN GAMES- with thanks to Mr Mirko Jalava and information from his excellent TILASTOAJA-website –

-athletes from 42 (out of the 45) ASIAN AA Member Federations participated (i.e. all except BAN, BRU & JOR) –

the following statistical details are a proof for the outstanding standards in most events at these Games:

-a comparison of the results for the winners to the Gold medalists from Guangzhou (2010 Games) shows better performances in 37 events (13 by Men & 14 by Women) against better performances at the 2010 Games in the other 19 events (10 by Men & 9 by Women); the remaining (47<sup>th</sup>) event, Men's 50 km Walk, was not held 4 years ago; in addition another better time (one of the new GR's) compared to the 2010 Games was achieved in a heat of Women's 400 m hurdles –

-see additional remarks concerning the outstanding standards at these Games on pages 28 & 29 -

-the following abbreviations are used in the results section below (number of new records achieved in each category shown in brackets); records broken twice (i.e. in a heat and again improved in a final) are not even counted for this survey:

-**AR** = new Area Records (= 3); **GR** = new Games Records (= 18 – including 1 equalled GR)

-**NR** = new National Records (= 44); these NR's were achieved by athletes from 26 different federations with the most new records (each in 4 events) achieved by athletes from BRN and KOR;

-**NJR** = new National Junior Records (= 13); **NYR** = new National Youth Records (= 2);

-**AL** = new Asian 2014 Leaders (in 14 events); **AJL** = new Asian 2014 Junior Leaders (in 3 events) –

-**PB** = new Personal Best; **SB** = new Season 2014 Best (this information is based upon info by the TILASTOAJA-database)

**DOB** – info for several athletes is different to the data by the entry-lists at these Games; obviously some of these athletes were entered with birthdates different to their DOB-info at previous major competitions and (if their DOB for Incheon would be correct) some of them would have been over-age when they competed at previous major Junior/Youth Champs

-reaction (start) times are shown at the end of each line for all competitors at events up to 400 m-
