

2nd Singapore Age Group Race Walking Competition 2014

Nanyang Poly Track, 22nd February 2014

Report

The 2nd Singapore Age Group Race Walking Competition was successfully held on the Nanyang Poly Track on Saturday 22nd February 2014 from 1.00pm to 5.00pm. A total of 50 walkers, ranging in age from 9 to 61 years, took part in 8 events in distances ranging from 1000m to 10,000m. Encouragingly more than 80% of the participants were under 20 years old and though the total number was less than last year's 75, the quality of this year's performances was better. In all 5 championship records were broken and the times returned by a few of the 16 year olds were encouraging enough to give us hope that we may soon have the nucleus to form a national race walking squad and be competitive in international meets. Race walking however needs still more support and even more effort to move up another level.
