

Home of Athletics (HOA) usage guidelines for SA Affiliates & MOE Schools during SA Exclusive Booking Periods

Updated: 2 Jan 2020

Singapore Athletics is committed to providing a conducive daily training environment for our Youth, Junior and Senior athletes for them to develop within a safe and secure environment. We also need to provide a purpose-built athletics environment for coaching and technical officiating development. As such, with the support of Sport, we have identified the HOA as our official Centralized Training Centre (CTC). HOA will be closed to public and made available for National Junior, Youth & Senior Athletes as **priority** to train daily, without the distraction and hazards of a public training environment.

During these exclusive booking periods, access will only be allowed for National Athletes and SA affiliates, and approved MOE schools that are registered with SA. The minimum age of athletes that will be allowed access will be 12 years of age.

The access for usage will be scheduled as follows:

For safety and security reasons, SA reserves the right to change the scheduling, terms and conditions at any time without prior notice. In the event that any changes are made, the revised terms and conditions shall be posted at <http://singaporeathletics.org.sg/>
